

Resolution Supporting Fire Service Involvement in Code Enforcement

WHEREAS; the Fire Marshals Association of Missouri is an organization made up of fire prevention and protection professionals from across Missouri and beyond that has been in existence for more than 25 years; and

WHEREAS; the mission of the Fire Marshals Association of Missouri is to protect live and property from the devastation of fire; and

WHEREAS; thousands of Missourians continue to suffer from those devastating effects directly or indirectly every year; and

WHEREAS; enforcement of building and fire codes has been proven to be a successful tool in the effort to protect lives and property; and

WHEREAS; we believe that because of the unique perspective and background of the fire service, it is critical that the fire service remain directly involved in the enforcement of building and fire codes;

NOW, THEREFORE BE IT RESOLVED THAT, the membership of the Fire Marshals Association of Missouri opposes any effort to reduce the widely accepted role of fire service in the enforcement of building and fire codes.

Passed by a unanimous vote of the members assembled this 13th day of December, 2011.
